Sheer Radiance COLLECTION

PRODUCT INFORMATION

Sheer Radiance is made using the back bone of a PVC vertical blind customized to allow our Sheer Panels to be snapped onto the vanes. Made of beautiful yet durable fabrics that are machine washable. Headrails are made with wand control.

The illusion of the PVC vane disappearing when tilted open is created by using matching flat PVC vanes in colors: White, Off White, Beige or Grey. Available with a modern European bottom hem (standard for most fabrics) or a 4" Drapery Hem.

Cleaning, Care and Warranty

Sheer Radiance's fabric is light and airy, yet highly durable for a lifetime of enjoyment. Sheer Radiance may be feather dusted or vacuumed at a low suction setting to remove the dust. Fabric is machine washed on a gentle cycle with a mild laundry detergent in cool water. The fabric must be removed from the washer, immediately after the spin cycle. Re-install while slightly damp. Never put in the dryer.

5 Year limited warranty against defects in materials and workmanship. This warranty applies to residential use only.
