## CARING FOR SHADES

- Fabrics are specially treated to repel dust and dirt
- Dusting: Regular dusting maintains a like-new appearance
- Vacuuming: For deeper cleaning, vacuum gently with the furniture brush attachment
- Spot-Cleaning: Spot-clean shades with soft cloth or sponge, moistened with lukewarm water, blot gently and dry shade in fully lowered position; add mild detergent if needed

*For specific care and cleaning instructions, please refer to the product sample card.*

## CHILD SAFETY

Our Honeycomb Shades are designed with child safety as a priority. To reduce the risk of strangulation, our fabrication methods incorporate features to comply with the current ANSI cord safety standard.

For Honeycomb Shades made with a clutch operating system, our tension device is designed, and is to be placed and shipped, so that unless it is properly installed (or altered from the shipped condition with sequential process or tools), it prevents the shade from operating. The tension device, once installed, can help prevent children from pulling cords around their necks.

## CLEANING & CARE

While beautiful and delicate in appearance, Honeycomb Shades are designed to be durable, easily cared for and easily cleaned. The non-woven fabrics are inherently anti-static and repel dust. Occasional feather dusting or vacuuming may be necessary to keep the fabrics clean and bright.

Spills and stains can be lightly blotted with a cloth or damp sponge. More difficult stains may require soaking in water with mild soap. For this, remove the shades from the window and submerge, soak and rub lightly. DO NOT submerge the Deluxe Cordless headrail in water. Lay flat to dry or place back in window and raise tightly to re-crisp pleats. Please test any stronger cleaners on an unobtrusive portion of the shade.

## LIFETIME LIMITED WARRANTY

Honeycomb Shades will be free from defects in materials and workmanship for as long as the original purchaser owns the product, provided that the product was installed properly and in accordance with the cellular shade installation instructions. This lifetime limited warranty is extended to the original purchaser only, in the original window for which it was intended.

This warranty does not include any conditions or damages resulting from accidents, alterations, misuse, abuse or failure to follow printed instructions on installation, care and cleaning or repairs. This warranty also does not apply to conditions resulting from normal wear and tear.

THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER OBLIGATIONS, LIABILITIES OR WARRANTIES.

In no event shall the manufacturer of these Honeycomb Shades or its licensed fabricators, distributors, or dealers, be liable for INCIDENTAL OR CONSEQUENTIAL DAMAGES, or for any other damage, loss or expense, cost of fee associated with such damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply.

AMP™ Motorized Shade motors and components are limited to a 5 year warranty.
